

TOP THREE REASONS TO ATTEND GILLETTE COLLEGE

01 COST

Gillette College costs a fraction of what you'd pay to attend a four-year college or university. Earn your associate degree, a certificate of completion, or your prerequisites en route to a bachelor's or master's degree at an affordable price.

02 CONNECTIONS

Gillette College has strong relationships with employers across the Rocky Mountain region and beyond who offer paid co-ops and internship opportunities. Many of our students receive job offers even before they graduate.

03 COMMUNITY

When you attend Gillette College, you become part of the Pronghorn family. Whatever your interests, there is a club, organization, or activity available to help you meet friends and gain valuable experience.

GET STARTED WITH LITTLE TO NO DEBT

Gillette College provides our students with a valuable education, while also saving them money and minimizing college loan debt.

Whether you want to go into a hands-on field, like Diesel or Welding, or are interested in Business, Nursing, Health Science, or Computer Science, our experienced faculty and staff will help you reach your goals. If you decide to pursue your bachelor's or master's degree, Gillette College makes it easy to transfer your credits. Choose from over 30 associate degree and certificate programs to get ready for a great career.

Degrees and Certificates earned by Gillette College students are conferred through the Northern Wyoming Community College District, accredited by the Higher Learning Commission.

AN INVESTMENT IN YOU

By considering Gillette College, you've taken the first step to a degree that pays off.

- A community of staff and faculty will be with you every step of the way.
- A personalized education that gets you prepared for a career.
- Paid internship opportunities while you complete your schooling.
- A learning environment which features a residential campus in the heart of Wyoming.

Meet with new friends and study partners on our beautiful campus. Enjoy the convenience and wide variety of activities including living on campus, participating in clubs, teams, and student organizations, plus, much, much more!

THE PERFECT PLACE TO BEGIN

"I chose Gillette College because I can start my education, but not commit to any career path yet. I can make great friends on a beautiful campus while I work towards deciding my next education step, whether that is a four-year university or a trade program."

Kiley Strange
Business, AS
