Investment

The Board of Trustees of Gillette Community College District serves as the custodian of public and student monies entrusted to the College for the provision of higher education programs and services to the district. As such, the Board wishes to exercise good judgment and prudence in investing these funds. Therefore, it is the policy of the Board to invest public funds in a manner which will provide maximum security and investment returns while meeting the daily cash flow demands of the College and conforming to all state and local statutes governing the investment of public funds. The purpose of this policy is to direct the President or his/her delegate to maintain and implement procedures for the investment of public monies that meet the intent of the Board's policy.
